The **Cornerstone Day Camp** program has been designed especially for elementary school age children. The primary goal of the program is to develop the character of each child using Christian principles and a variety of educational and fun activities.

Each child will build his/her character as he/she makes new friends, works together with other children and learns new skills under our caring, trained supervision. Activities will include arts and crafts, recreation, singing and field trips. The recreational aspect of this program will emphasize good sportsmanship and skill development through a variety of sports like kickball, handball, basketball and wiffleball and non-competitive games like parachute and partner tag.

Lunch is not included in the registration fees so each child is expected to bring his/her lunch every day or may pay for the pre-purchased bag lunch option. The bag lunch will not include any heated foods.

To register for the program either send or bring the registration form and fee (make checks

payable to **Cornerstone Evangelical Baptist Church**) to:
